### The Premises:

Modern well presented flat in the centre of Milton Keynes

### The Lady:

As per the photos on the website but ten times better in person.

### The Story:

Having a golden rule never to see the same girl twice (variety is the spice of life as they say) I broke the rule visiting Carla again. Why, because she is everything I could want in a woman, physically and how she conducts her way around a man.

As a boob man and someone who adores DFK and OWO Carla delivers perfectly, plus she has a body that in my opinion is faultless, no tattoos or piercings, just silky smooth skin and a bottom that begs to be squeezed.

I would find it difficult for anyone not to enjoy their time with Carla, she is that good and relaxes you throughout the appointment.

Cannot recommend Carla highly enough.

Also, while I was waiting for Carla as her previous appointment overrun I met and spoke to the new lady Jai, WOW, what a body, could be one for the future!
