The Premises:

Very clean and tidy basement flat, with good shower and show gels available. Plenty of parking outside. Nicely laid out bedroom with mirrored wardrobes - a must for any working flat - right?!

The Lady:

5'5" glamour model EE Latvian girl with long flowing dark hair. Such a load of curves you don't know where to look, although she's obviously had some enhancement to get to a 34D or perhaps DD. Looks great in the black evening dress she opened the door to me wearing. Tanned flawlessly soft skin and no tatoos (than goodness). She has an almost oriental look to her face, very round and almond eyes. Totally attractive! Early 20s. Tina also has excellent English to a good conversational level, so dinner or evening dates would be excellent I imagine.

The Story:

Tina's new. Her pics aren't even up on the agency website yet - but she's available from a few other london agencies under that name. Kimberly at the agency was very helpful in arranging my appointment with Tina, and said that the website would be updated shortly.

After I'd showered, Tina directed me to the bedroom and said she'd be a couple of minutes. She was true to her word, and when she appeared the dress had been dispensed with (probably scissors were required - LOL) and I was greeted with her unspoilt centerfold pullout figure in all its glory. From Tinas appearance and subsequent performance I'd be very surprised if she hadn't done some EE porno work - she is very, very good in the bedroom obviously experienced to porn star level!

Tina was straight on the bed, and almost straight into her uncovered BJ. Maybe not to everyone's taste, but when a girl is this pretty and talented - who cares!! And boy was it a BJ and a half! Obviously she has a lot of experience in this area. I held her hair back with one hand, and used the other to feel around her ample assets. Her tits are firm, as you'd expect from the enhancements, but not overly so. So still good to squeeze and she has a wonderful bottom which was asking to be squeezed as well. All the time while I goosed her assets, Tina was greedily sucking on my dick which was rock hard. Usually I get very erect when receiving oral, but it is rarely enough to get my

close to orgasm. But Tina nearly took me there several times and I had to stop her! Every time she lifted off from giving head there was a huge amount of wetness dribbled down my cock and eventually my balls and shaft were totally soaked with a mixture of Tinas and my juices. When I needed to relax I had Tina suck my balls, which she did enthusiastically while stimulating my shaft with her hand.

I'm fairly sure the pornstaresque O would have continued without complaint for a full hour if I'd wanted, but after 20 minutes or so I had to ask Tina to stop because I was sure if she continued I'd shortly explode! So she covered me and asked which position. I asked her to chose as I am quite big in the girth and I know from experience for some girls some positions this can be a problem. Tina went for doggy to start, so I slipped my member in from behind. Slowly I found my rhythm and Tina did too. Soon she was reaching under and gently stroking my balls. I had a great view of everything Tina was doing and offering in the mirrors and it was driving me crazy! All too soon I had to pullout or else I'd have exploded!

Tina was over onto her back and into pornstar pose - you know, legs wide and held back with her arms so her feet were above her head. What a sight! I quickly hopped on for the ride that was being offered, and then drilled her like this for another 5 minutes or so. But I'm afraid Tinas great looks, fantastic body, and skillful service were all too much for me and I regrettably popped with 15 minutes still to go.

Must return and try harder (no pun intended) next time as I think Tina has a lot more to offer. She is certainly well skilled, but also fresh and new - an unusual but rewarding combination. Talking to her after though she isn't that impressed with London it seems. Too busy and crowded for a small town Latvian girl. Visit while you can boys, and make her stay worthwhile! I certainly will be - very very shortly indeed!
