The Premises:

Plenty of safe on street parking nearby (pay and display), and the apartment block is discreet with an intercom system at the main entrance.

The apartment was neat and tidy, there was a slight smoking odour in the air but can't say I noticed anything on Elise. There's a small en-suite with decent shower in the bedroom and clean towels were provided.

The Lady:

Elise is about 5'7" tall, nice looking with long blonde hair and green eyes. She has slim figure with medium sized boobs and a very nice bum!

There are no face pictures in her gallery, but the body shots are very accurate and seem recent. I'd guess her stated age was accurate enough.

The Story:

The meet didn't get off to the best of starts as Elise had given me a postcode and asked me to call her when at a specific location. She didn't answer when I first called - although I was a couple of minutes early, nor when I phoned again a couple of minutes after the arranged time. I was about to give it up as a lost cause when I received a text apologising for missing the call. I called again and this time Elise answered.

After being directed to her apartment block, Elise greeted me at her door with a kiss and a hug and offered a drink, which she went to fetch after I'd handed her the money for our booking. I had a quick shower and was met by Elise who immediately started kissing me whilst standing. She was wearing a tight fitting little black dress, with very nice lingerie beneath including stockings and suspenders.

I'd seen Elise described as shy so was somewhat prepared - she is very quiet and laid back but not at all stand-offish, in fact I found her quiet, almost shy demeanour quite a turn on... She'll happily

engage in conversation but doesn't initiate too much.

A nice kissing session was followed by mutual undressing, well I helped Elise undress and she pulled my towel off! Kissing was with a little bit of tongues but not full on french kissing. Other services wise, nice gentle owo, (no attempt at deep throat although I didn't ask), reverse oral (which Elise responded to with quiet moans and sighs and genuinely seemed to enjoy), plenty more kissing and protected full sex which started in cowgirl and finished in missionary. There were about 20 minutes remaining and Elise asked if I'd like a second round but me being me I declined as I felt it'd be too rushed. We finished the time with a kiss, cuddle and chat - all very relaxed and completely unrushed. Next time I'll probably make it a 90 minute booking and hopefully get the second round in :)

To summarise, a very enjoyable time with a genuine, pleasant and quiet girl who has a great figure and good skills. I'll definitely be seeing her again.
