The Premises:

Saw Cherry at a discreet hotel. She gave me details on how to get to room confidently. Room was nice. Dimly lit. Close to motorway. Quiet. Did not see many people at all.

The Lady:

Cute as profile says. Curvy. Brown hair although looked more black. Captivating eyes. Sexy but very cute too. Wore a nice babydoll type thing with stockings and heels. Girl next door looks

The Story:

At first j was very nervous. Cherry put me at ease. She chatted and soon seemed like friends. Very attentive lots of kissing (kissing was fantastic!!) She really seemed to enjoy kissing me. Lots of foreplay. Very nice build up to sex in a few positions and a finish off in her mouth. I would not say im big but she took it all I was impressed. AMAZING! She swallowed a lot of my cum and she seemed to enjoy it. Will def visit again. Left feeling drained and completely satisfied. Thoroughly nice girl. Highly recommended.
