The Premises:

A quiet street in gainsborough, I had no problem parking at this time of day, however that may not be the case at tea time. Shower is available but I did not use it, the bathroom is ideal, situated next to the bedroom upstairs where my appointment took place.

The Lady:

Lexy is a fun young lady and I believe she is really age 19, she gave an accurate description over the phone, she has a curvey busty body, and shoulder length dark hair, shaven.

The Story:

Lexi greeted me at the door with a sexy smile and dressed ready for action, she took me up stairs to the bedroom and offered the bathroom should I want to freshen up. We got onto the bed and lexy gave me a lovely long kiss and started to undress me. By now I am raring to go, I fondled her lovely big breasts, whilst she gently kissed me and played with my aching balls. We went on to give each other oral, she brought out a vibrator for me to play with her lovely wet pussy, the appointment ended in full sex, she had lots of energy to ride me on top, so I could see those big boobs bounce away. With that I could not hold back any longer and came inside the condom. We had a brief chat and then I left very satisfied. If you are looking for a young lady that seems to be very experienced for her age, then Lexy is the lady for you.
