The Premises:

Having had a hip replacement in November I had left hospital under instructions not to drive or indulge in sexual activity for 6 weeks. A tough order on both counts! So on the 42nd day I was anxious to kill two birds with one stone. A look at the excellent One2One website revealed that the lovely Jade was on duty at their Borehamwood location (one of currently 6 under the One2One banner). A call to the marvelous "Moneypenny" set this "007" south on the A1 to test his driving skills behind the wheel of his Aston Mondeo and an assignation to test his tantric skills on Jade! Borehamwood is a fairly recent addition to One2One and despite the fact that I had not visited here before it was easy to find, no parking problems on the road outside. A stones throw from the Stirling Corner roundabout on the A1 and with Moneypenny's directions I was buzzing to be let in "bang" on time. The flat is on the top floor (only 3 floors) of a fairly modern residential area of the town. Felt entirely anonymous and safe. Inside the flat was clean and well furnished and the bedroom was tastefully and recently decorated. I was to find the super king-sized bed was just right for testing my new bionic hip. Oh YES!

The Lady:

I had seen Jade before at the One2One Hatfield flat. She is simply stunning, a petite latina Brazilian in her mid-20s, size 8 with the most perfectly formed breasts. Long flowing brown hair (changed from black on my last encounter) perfectly matching her sparkling eyes. Dressed (briefly!) in a short basque style bra top and matching G, top quality gear. Her photos and description on the website are spot on.

Jade's English is good, not perfect. Her accent adds to her physical charms which together with her lovely bubbly friendly personality make her a joy to be with.

The Story:

I love to give tantric massage using my own "secret" formula of massage lotion. From our previous encounters Jade loves to be massaged as a prelude to me introducing my tongue and lips into her gorgeous pussy. Her appreciation is obvious and seems genuine with much gentle gasping and direction as to where to concentrate my oral efforts! Then her oral attentions were turned to my very much aroused appendage. Jade's OWO technique is fantastic and bearing in mind my period of enforced celibacy I had to concentrate hard not to explode too soon and before I could test my hip with some orthodox missionary. So condom on and away we go! As doggy had not been on my

agenda before the "op" a swap in to that position started gently until with great relief I found I could indulge pain free with increasing vigour and much pleasure. A return to her OWOing me culminated in my release of "tension" and finishing with a delightful period of cuddling, hair stroking and chatting. It was great to be back in action so thank you Jade for being gentle with me and Money Penny, of course, for guiding me through my first "mission". Much love Ladies, 007 xxx
