The Premises:

It's a flat in a residential street in central London. I was offered a shower before and after the session, which was appreciated.

The Lady:

Charlotte is beautiful. The photos on her website are genuine. She says on her site that she is 5'1", which is true. She says she is 21, which again I'm sure is right.

The Story:

I was greeted by a friendly receptionist and shown to the room. Charlotte came in a few minutes later, we had a brief chat about what I wanted from our time together, and she left to dress.

I asked her to "surprise me". She did that! She turned the session upside down and gave me a brilliant time. I won't go into too many details, but put it this way: Charlotte says on her site that she is a "dominatrix in training". Whoever is training her is doing a very good job!

I'll repeat myself: Charlotte is beautiful. She is also talented and clearly into what she does.

Once we finished, we had a nice chat and she walked me to the door. If I had a girlfriend, I wish she looked like Charlotte - but then I wouldn't get to visit Charlotte! I'm away for a few weeks, but as soon as I can return I will. Highly recommended.
