The Premises:

Very comfortable flat on the river, lovely big bedroom. Salubrious

The Lady:

5'10" ! Not a catwalk lady, but very good figure - absolutely gorgeous thighs and arse, very attractive - not big boobs but shapely and quite sensitive !

The Story:

Very good communication, nice chat to start with, exploring ideas and the few no-go areas (anal not on offer, but not my thing anyway). She made it clear that DFK and oral very much on the agenda. So, shower and into lovely bedroom, big bed - lots of wonderful foreplay, I succumbed to the temptation to give a thorough tonguing which really got her going, leading to a really good fucking session culminating in doggie with awesome view from my position - not talking about the river. Fantastic fuck!
