### The Story:

Delightful!!

Met at the door with a cracking smile and dressed in sexy negligee, wow.

We chatted like old friends, had a drink then I was led to the bedroom and helped out of my increasingly tight trousers and clothes and I was invited to make myself comfortable on the bed.

With such wonderful features on offer to play with how could I refuse!

I know at this point you will want to know details, so I must apologise for not leaving them. Needless to say Danni and me played for an hour the games adults play, choosing activities as we wanted.

Nothing refused at anytime, and of course the explosive happy ending being ridden by a gorgeous little "pocket rocket" as a reminder of previous meetings with this lovely lady.

Will I visit again? Well I do hope so.
