The Premises:

House in cul de sac close to A505, easy to find, safe residential area with plenty of free parking - felt very safe. Once inside the house everything was clean and nicely presented and in the room there was a proper massage table. Atmosphere was warm and friendly.

The Lady:

I have seen Michelle before she, is about 5ft tall with a nice firm figure approximately size 34c with a tight little ass. She has darkish hair, nice skin and looks 40 ish, wearing a black basque and stockings she was right up my street !

The Story:

After a freshen up in the bathroom was shown in to the room and asked to strip and lay facedownn on the massage table Michelle then started a very slow teasing massage eventually giving some attention to my balls through my legs and massaging my rear end, touching my rectum, she asked if I was ok with her inserting her finger which obviously agreed to. She then asked me to turn over where I could view her lovely body in more detail, she carried on with a slow sensual massage starting to give my cock a nice oily handrelief alternating with some oral without and continuing giving me an excellent prostrate massage, with all this going on I could hold back no longer and shot my load over her wonderful tits which by this time had broken loose ! A really good time with a very nice lady, must try to go again soon.
