### The Lady:

Madlene arrived 10 minutes early and I was shaving post my shower. I was delighted with the cute smiley apparition that was at my front door. A big smile and the little black dress with high heels that I requested. Madlene has a perfect figure absent an ounce of fat as shown in her pics, beautiful hair, stunning eyes - the only minor discrepancy from her pics was that she has a tiny tiny amount of acne on her cheeks. However, this is adequately covered by makeup and doesn't take away in any way.

### The Story:

I requested Madlene to give me a little lap dance and it was a nice effort on her part. I enjoyed caressing her perfect bubble butt while she teased my manhood. We were soon passionately DFKing - I then removed her clothes and licked her boobies which she seemed to enjoy. We then moved on to some OWO - having read prior reviews of PSE like experience and as she has DT on her profile I face fucked quite roughly unlike my usual self - she seemed to take it with a smile and indicated for me to tone down when I was getting carried away. I then moved positions and directed her to rim me (again getting kinky as he as these PSE type reviews). Madlene didn't seem into this though went ahead (when I tried during second round she hesitated and requested that it is not her cup of tea). After a super long and excellent OWO from Madelene we moved on to sex. Various positions were engaged in with total enthusiasm from Madlene. The only thing I would like to point out is that she doesn't like her hair grabbed - which was unlike the rest of the PSE session - but not an issue for me. After finishing round 1 - we had a little break before proceeding to round 2. Round 2 ran over by a few minutes but Madlene was kind enough to see matters through. A wonderful escort and I wish her the best. Recommend wholeheartedly :)
