The Story:

This is my third visit here. And wanted to try a younger girl, so choose Amelia.

Exactly like photo, beautiful body, and bum looks great in a thong, really shows off her tight, little bottom!

Again like the other visits, Amelia greeted me with a smile, and hi, then politely turned her back whilst I got comfortable.

She then removed her little outfit, very slowly, but with a cheeky smile.

The massage started off very gentle and slowly, with a very good hand and body action, working all the body!

I asked her how at such a young age she was so subtle, and could move her body so well? It turns out she was a gym instructor, which gave me a little buzz, could well imagine her bending over backwards!

The massage started to get faster and slightly harder, moving on to the other area, and she new when to increase the pace! God I thought my eyes were going to pop, what a rush!

Definitely worth a visit, especially if she has her thong on at the start, what a sexy, tight little butt!
