The Premises:

This is a private house in a suburban neighbourhood. There is parking possible on the road.

The house is very clean, neat and tidy.

Perfectly safe.

I was offered use of the bathroom as soon as I arrived.

The Lady:

The ad says it's a "Sensual Naked Massage" and that's exactly what it is.

What makes it special is Trish, who is a lady of a certain age with a voluptuous figure and beautiful breasts.

She is charming, warm and caring.

And she is extremely skilful.

The Story:

The massage table has arm-rests, which is fairly unusual.

Trish used warm, non-scented oil for the massage, after checking that I was not allergic to it.

She massaged all the back, neck and leg muscles very professionally, and after I turned over she massaged my belly, balls and tool.

She asked whether this was OK!

She asked, "Slower or faster?" to which I replied "This is just fine."

And it was better than fine, it was brilliant, with an explosive ending.

10 out of 10 for ambience, charm, beauty and service.

Great VFM.

Not to be missed.
