The Lady:

As per website. Very pretty and very clean. Very toned.

The Story:

All looked promising at outset. Phone goes off almost as soon as I entered bedroom after having a shower. Apologies but time lost. DFK turns out to be light kissing.

Then the breasts are sensitive. Then playing with her clitoris is restricted. All this I can put up with and she is so pretty I soon come in mish.

Only 25 minutes has gone so Round 2 commences. Difficult to get aroused because of all the restrictions. But she has good sucking technique.

Eventually seem to be getting close to coming twice when there is a knock on the door.

Surprise from Diamond but instead of ignoring she dresses in gown and answers door. Comes back - states it was someone asking for price of sex.

So more time lost and moment is lost. Within a few minutes states I have to hurry & come because she has other clients waiting.

This puts me off totally. I head for shower. Once fully dressed and there is still over 5 minutes left of my time.

So about 35 minutes actual time with Diamond.

She is a raw escort - rather immature and would not recommend for the mature punter.

She is one of the reasons I rarely pay for sex these days. But I enjoyed the view of her lovely body.
