The Premises:

Usual clean and tidy place, although I did notice that they have put up some new mirrors and lights around the place which actually make a difference. Lovely and warm considering how cold it was outside.

The Lady:

Tall, Slim, Curvy, Long Blonde Hair and absolutely gorgeous. Jayda is naturally beautiful, but when she smiles she is stunning.

The Story:

My 3rd visit to see Jayda but the 2nd at Ego. Jayda welcomed me with her gorgeous smile and a welcome kiss. Paperwork sorted and off with the clothes and a quick admiring look at her figure before I got onto the table. This massage was a little more firm than the last as Jayda remembered that I like my back to have lots of focus and a good going over. The back massage ended with a very sensual body to body experience that left me wondering whether I would actually make it to the end of the hour. I managed to hold out and flipped onto my back to take full view of this beautiful lady. At this point I am going to leave things to your imagination and my memories, but needless to say it was another absolutely mind blowing experience. If you click with Jayda, she will find a way to give you one of the most sensual experiences of your life, all within the very strict rules in place at Ego. At times you find yourself wishing you had gone to another wide ranging establishment, but as you relax on the table with this lovely lady by your side, you realise it is money well spent and inevitable that you will be back again very soon. I think I have finally found a replacement for Sally at Ego.
