The Lady:

Valery is very tall at 6'1". gorgeous body and great personality.

Victoria is a stunner as well. Fantastic body and great personality as well.

Both ladies speak great English and make you feel at ease.

The Story:

I had met Valery on the past Friday and was so happy with my experience I asked to meet her and her friend for Monday. She arranged the meeting and let me know all was set up.

I arrived at her place and both ladies looked fantastic. We had a glass of wine first and got to know each other a bit first.

While they do not do a full lesbian thing, as they are long time friends, that did not matter as I wanted it to be all about me.

We did various positions and both of them have great skills with OWO. I tasted both ladies and really enjoyed my self. I then proceeded with covered sex, Valery on top while Veronica was FK me.

Then we switched to Veronica doggy, and Valery FK me.

Then back to Valery missionary while Veronica was caressing me.

This was an experience I will remember for a long time.

Very much worth anyone's time to meet either of both these ladies.
