The Premises:

Already said - this is a nice little place with easy parking.

The Lady:

Slim, petite. Not stunningly beautiful (ala Valentina, etc), but cute.

The Story:

The 2nd best massage I have had at Ego - and ive had quite a few! (Faye was best by a mile, Poppy and elise are also great - Lauren is right up there), but this was fantastic, it wasnt really a massage, more of an assault on my dick - brilliant.

Face down on the massage table, the first thing she did was oil me up and run her hand up my leg, past my thigh and gave my ass & balls a tweek; i knew i had made the right choice in lauren! No real massage to follow, just 15 mins covered in oil playing with my ass, balls and dick as i lifted up my hips of the table to give be better access. On to my front for final 10 mins which consisted of her running her nails over my shaft, teasing my balls giving me a great titty fuck. An excellent time! I will be back.
