### The Premises:

Clean, modern apartment in a quiet residential street with free on-street parking available.

### The Lady:

She is the lady in the photos but the photos have clearly been airbrushed. She is probably a little bit older than her profile age. Nice body though.

### The Story:

I was disappointed as CIM is a key part of a punt for me and despite it being on her profile likes she made it clear that CIM is not a service she provides. It was a very functional service. She was pleasant enough but with limited English. Room was perfectly fine. No shower offered. Basic 1/2 hour service.

Started off with a cursory chat before she moved straight to an excellent session of OWO which ended with a handjob.
