### The Premises:

Nice modern flat in new block near paddington station have visited before room was ensuite clean and comfortable

### The Lady:

Young 21 old blonde polish girl could pass for younger the photos are a pretty good guide but i thought she was prettier and cutier in the flesh. Her english is quite good and all in all a very pretty very slim beautiful lady

### The Story:

Well I had seen some good reviews and Abby said she was proving very popular and could be worth a visit and that she offered a PSE experience including Alevels. Anyway I booked and paid the extra for that service. On meeting I was not disappointed as she was very cute and very attractive and had a nice personality. She is very slim with small natural breasts and tasted divine. Now at this point it is worth saying that she has only been an escort for a few months and so I think is finding out what she likes and dislikes as she is a very bright and focused young lady dont let the youthful looks fool you . In terms of service she was very good particularly at Alevel which I like and which I was nervous about with her given her relative inexperience but I need not have worried as she pushed back on me to push it deeper in her beautiful bum. That said I would not call her service a real PSE more a really great girlfriend who lets you do a number of filthy things and if that is what you are after then I would highly recommend . However if what you want is a hardcore PSE filth session I would suggest not as I think she may try things once but may not like it and it would not be as enjoyable for you or her.I would definitely visit again and it would be interesting to see how things develop as she becomes more experienced.
