### The Premises:

Basement flat near Victoria Station. Good direction given and easy to find. Room a bit on the small side but large enough for a double bed and a cheval mirror. The delightful receptionist made me feel very welcome.

### The Lady:

British, late 20s, tall, slim, medium sized bust, long straight coppery hair, fully shaven between the legs.

### The Story:

I had a strong hunch when I saw her photos on the HoD website that she'll be enthusiastic. And I was right. In fact, she's probably the most enthusiastic incall provider that I've seen for a while. She struck me as someone who prides herself on doing a job well and she most certainly seemed to put heart and soul into it.

The first thing she did when she saw me was to kiss me passionately. Then came owo followed by 69 at her instigation and then cowgirl (accompanied by more dfk) and finishing with owo cim. I went away happy and satisfied.

By the way, never spank her on the buttocks - she hates it and she'll tell you off (in a nice way and then apologise for being so forthright).
