Very clean modern apartment with private parking and a discrete buzzer entry system.
One of the best places I have visited (and I've seen quite a lot!), very warm and relaxing.
Good shower facilities available with shower gel and clean fresh towels etc.

The Lady:

Daniella is super sexy if you like short girls (as I do, not being tall myself), as Daniella is under 5ft. She is very curvaceous, fantastic figure, which she is work on to improve, although it doesn't need it.

Great boobs, sexy stomach, soft to the touch, lovely sexy arse and the front is even better!

A real 'pocket-rocket' in bed, always great trying to keep up with her energy levels.

Daniella gives the real GFE, the best I have encountered, with lots of talking and she likes a laugh :) She seem to really love sex, enjoys herself and makes sure you do, down to earth and so nice with it.

The Story:

My first review here - but this was my 3rd visit to Daniella and she is rapidly becoming my no.1 goto girl. Every time we meet, I'm always greeted with sexy kisses and a hug, even the first time. Always offered a drink, I always have one and we then go to the sofa in the lounge and catch up with each other since my last visit. Daniella is a real giggler, enjoys a joke, which is great, but soon we move the bedroom, where we undress each other, whilst still talking.

I am too much of gentleman to go into detail as to what we actually do, but Daniella has never disappointed me (unlike so many others). Most (if not all services are offered, and every visit we do something slightly different in lots of different positions. Don't want to give her secrets away but do make sure she is on top for some of your time together - you will be rewarded :)

Once we have finished, there was/is no rush to leave, more chatting and getting to know each other like good friends that we are becoming.

Am so looking to my first all night with her, sure she will eat me alive and I'll be exhausted, but am so going to enjoy it.

Can't praise her enough, treat her nice gents, she is so worth it.
