The Story:

Well was I lucky or what?. I decided that for my initiation I needed some kind company. It was Dianna's eyes that kept drawing me back to her so I plucked up courage got the L plates out and rang Dianna. Dianna arrived a little early which increased the nerves. Dianna is a lovely kind lady and led me through an evening of ecstasy. The relaxing chat and later those eyes on mine seemingly all the time WOW. Intimate details unfair on Dianna but she is wonderful. Can there be better for a beginner I doubt it. going to get rid of those L plates soon with Dianna,s help. If you are "new" give Dianna a ring you wont be disappointed. THOSE EYES
