The Premises:

Lamaison is in Bury near Manchester and has its own limited car parking area or plenty of nearby street parking. The premises is clean tidy and well presented and the reception staff have always been polite and helpful. I was offered a drink on my arrival and waited in the comfortable reception area. The rooms are nicely furnished and always have new clean towels and sheets and nice showers. The whole environment feels safe and well run.

The Lady:

Hailey is slim, fit, athletic build, about 5'6", very pretty, small natural boobs and lovely bum and legs. She is tactile and exciting to be with.

The Story:

I last met Hailey in November 2013 but she remembered me straight away and gave me a lovely hug and kisses. I got showered, then Hailey came back into the room and we kissed for a long time. She is so genuine and warm and has immaculate personal hygiene. Our entire session was sheer pleasure from beginning to end. We both like lots of kissing and oral of all kinds and this went on for over an hour. Then she had a huge climax that left her quaking for ages. After she had calmed somewhat we had sex in several positions, finishing in mish, whilst still kissing her lips and gorgeous face.

She really enjoys her job and loves sex with a passion. Like all good professional girls, it is impossible to detect acting from reality but since Hailey genuinely loves what she does and she does it brilliantly well, you always feel special with her. Her orgasms are definitely NOT faked! She is fantastic to be with - involving, honest, open, chatty, intelligent, funny and sexy. What a lovely girl! I thoroughly recommend her with total confidence.
