The Premises:

I have only ben using MKEscorts since early December 2014 and I really like the standards of the premises, normally I knock on one door and I'm taken over to another apartment but today they showed me into one of the rooms at the first door.

I've got to be honest with you this apartment fell well short of the high standards I have received before both here and at Annabellas, the whole apartment was cold, the shower is very hard to control and I ended up getting the water too hot at one point, the toilet seat is broken and there's odd taps on the hand basin, the bath panel is coming away from the bath and there's some sort of mould growing down the side.

I'm really sorry to point this out but HOD and Annabellas set a really high standard in my books.

The Lady:

Basically Dawn is perfect.

Her new photos give you a glimpse to how Dawn really looks, she's young, tattooed and has stunning Blue eyes (those eye's I could happily just look into all day)with her heels on she stands over 6" tall but without them I'm guessing she's 5"5". Lovely long brunette hair, she is impeccably clean shaven and taste's absolutely fantastic.

The site have Dawn down as a size 14 and tbh honest I'm crap at stuff like that, but she isn't chubby she's just pure perfection, as Meghan Trainor puts it, she is "Perfect from the bottom to the top"

The Story:

This is my fifth visit to see Dawn since December and I have to be honest she just gets better and better, she's bright and bubbly and great to chat to, I always start my punts with a shower and its great to come out to find Dawn sat on the bed waiting for me, today she had her school uniform on and a devilish glint in her eye.

Paper work sorted we sat and had a brief chat about life, now I know that at this point I'm supposed to steam in smash Dawns back doors in have a shower and leave, but with Dawn you can sit and

have an intelligent conversation, whilst chatting she gently kissed me and rubbed my cock whilst opening her legs to allow me access to her pussy.

Dawn has one on the nicest pussies I have tasted, I just love getting my tongue deep inside her and watch her pant and moan, there's no "don't do this or don't touch that" with Dawn, I pushed two fingers inside her and felt her get tighter and tighter until she came.

I moved up her body kissing my way up to her lips and Dawn pushed me back onto the bed and started to give me an awesome blow job, it wasn't long before she had me at the point of no return, she cleaned me up and we sat chatting again.

Dawn instructed me that I had to come twice more in the time allotted but tbh once more was more than a challenge, got to give Dawn 10 out of 10 for trying though, plenty of oral and hand skills on Dawns part, amazing to look down a see into Dawns eyes as she goes to work on you.

I would sum the experience up a GFE but tbh if I had a girlfriend who was willing to do what Dawn enjoys doing I wouldn't leave the house.

Dawn is a truly amazing women, shame I can't keep her, look after yourself and I'll see you again very soon xxx
