### The Premises:

Classy bungalow in discreet location with safe, hidden parking. A perfect set-up.

### The Lady:

In early forties (although looks early thirties) with shoulder length black hair

5 \$B!& (B6 \$B!& (Bwith very sexy

slim body super legs and natural good looks. Small pert boobs, with lovely suckable nipples and perfect butt.

### The Story:

: She welcomed me at the door wearing a short black robe, high heels and black stockings. The robe was semi-transparent and I could glimpse her stocking tops red suspenders, thong and bra. She offered me

a hot drink, but the site of her had caused my most treasured possession to assume a horizontal position and, I gratefully gulped a glass of water! We sat on a leather sofa in the spacious living room and chatted for a while.

She is very friendly and chatty and, puts you totally at ease. We then moved on to the bedroom, which is large, with a curtained triple bed and a sofa in the room for preliminaries if you are so inclined. I stripped off, with some assistance and, although she offered a back massage I was far too interested in her front and we tumbled on to the bed.

I am far too much of a gentleman and she is far too classy a lady to go into unseemly details. Suffice to say that we both got very excited and I think we both enjoyed a wonderful session. I can sincerely say that I enjoyed the most perfect sex that I have ever enjoyed with a professional escort.

Selina is a classy lady who does not see more than one client a day and, not every day. She has immaculately groomed long red fingernails, which to me is a sign that she looks after other places immaculately as well!

Take care of her and be kind to her, she is a real gem.
