The Premises:

Easy to park, free parking. Very pleasant ground floor apartment. spotless and clan. Big spacious bedroom, modern bathroom.

The Lady:

Chloe is curvy, flame haired and beautiful. Artists from Ruben to Freud would have fought to ask her to model for them.

The Story:

It started with a kiss. Doesn't everything? It ended with total satisfaction. Chloe has a relentlessly inventive approach to delivering an excellent service.

If the industry had a quality standards, they would be called. the Chloe standards.

For me, she defined what good is.

Memories? My head being squeezed between her thighs, hand pushing down, her moaning, and then bursting into laughter, because she had become ticklish after her orgasm.

Then it was my turn, and 3 days later, my blood still pumps strongly with the memory.

Oh, Chloe also makes a good cup of coffee, and the service is better than Starbucks.
