The Premises:

Nice, clean and well decorated place in CMK. It was safe and there is plenty of parking available.

The Lady:

She is in her early 30's, lovely slim body, has red hair, looks far more beautiful in person and is very cheerful and easy to get on well with. The photos are a very good representation of her. Within the first few minutes of being with her I knew I had made the right choice and this was going to be an enjoyable experience.

The Story:

After a quick chat to get to know each other a bit we began kissing each other gradually progressing to kissing with tongues. After a moment we moved onto the bed for more kissing with tongue flicking. We discussed what we liked and she proceeds to give my balls lots of licking and sucking which was expertly done just the way I like it with plenty of attention. She then began to give me a blowjob which I must admit was very good. I liked her style, with her lips wrapped tightly around my cock and lots of sucking.

I then offered to return the favour which she gladly accepted. We kissed some more and then I worked on her tits and proceeded to gently lick her pussy which was clean and a pleasure to lick.

She then said she wanted to suck my cock again, which was administered expertly with plenty of sucking and spit. The blowjob was so good that I couldn't hold back and decided to cum in her mouth. The CIM was very well done with plenty of suction while I was cumming in her mouth.

I only booked 30 mins with her so didn't get a chance to fuck her. Overall she was a wonderful girl that provides a top service that left me with a smile on my face. She is open minded and up for most things. I will be back to see her and would highly recommend her.
