### The Premises:

Apartment in a large block near shops. Very discreet far moreso than the other location. Bedroom was a bit small but had a double bed.

### The Lady:

EE, 20 something, medium height, medium build brunette, medium sized natural breasts (I thought they were enhanced when I first saw them as they were perfectly regular in shape but they certainly felt natural), fully shaved, girl next door looks with a kind face which lit up the room when she smiled.

### The Story:

Welcomed with a long enthusiastic kiss. In fact we spent the first 10 minutes kissing. Her profile says she does FK but her technique was definitely at the top of the DFK league. We moved onto owo then FJ quickly to missionary and finished with owo cim swallowed all delivered with enthusiasm.

She looked so serious when we'd first met then the occasional smile became more frequent as we got to know each other. Her command of English was good and I particularly liked her one liners:

me: you kiss beautifully

her: you have a lovely mouth

me: I really enjoyed myself

her: I think I enjoyed myself more than you did

No doubt she uses the same lines with all her clients but I liked them nonetheless.

I really warmed to her and felt very comfortable in her company. Afterwards I felt at peace with the world which is an indicator of an excellent encounter.
