The Lady:

Stunning looking, just like the photos. The photos are accurate but as usual the professional ones are far less sexy than the gems that turn up on twitter.

The Story:

We started with a massage and some chat. Penny is well spoken and intelligent, she did come over as slightly shy but friendly also. She asked me for some pointers on massage technique as this is one area she is working on.

owo followed and was slow and sensual lots of tongue, by the time I got to lick her she was dripping wet and tasted soooo good.

On to sex in a couple of positions, this gave me the opportunity to admire her fine young curves.

I did have some reservations about booking Penny due to some comments from other punters who said that the before and after chat was great but the service itself left a bit to be desired. I shouldn't have worried though, she found her to be very willing and eager to please throughout.
