The Story:

I first met Valentina at HOD in July last year and was so impressed that I gave her an excellent review. I've seen her several times since then, but recently circumstances have resulted in me not getting the opportunity to spend much time in London. I did get a chance to see her in Milton Keynes though, and as it says on her profile that she does Swedish massage I decided to go for that. I've had plenty of proper Swedish massages with the sort of practitioners who would never provide a "happy ending" and I've really benefited from them, psychologically as well as physically. I knew I'd enjoy my time with Valentina but to be honest I wasn't really expecting a proper Swedish massage. I have to say though that she really knows her stuff. So the Swedish massage part was wonderful, as of course was the happy ending!
