The Premises:

Nice apartment in Windsor Quay. Felt safe. Good on street parking. Clean. I believe it's shared premises.

The Lady:

Pretty and slim. Dark hair and blue eyes. I'm not good with dress sizes, but I'd guess a six. Guessing around mid-twenties.

The Story:

Good English. She's friendly and willing, although French kissing was poor/non existent despite being confirmed pre meet. Not essential for me, but annoying as she had agreed.

Despite that everything else was excellent. BBBJ was erotic and brought me close. On with the condom and we had sex in a couple of positions before I blew in doggy.

Massage was offered, but I turned it down. I don't tend to find escorts give good massages.

Shower was also offered, but politely declined so can't comment on these facilities.

If you don't mind the lack of French kissing then I'd definitely recommend!
