The Premises:

A private flat opposite the audi showroom in chingford. One the second floor so a small climb upstairs but quiet and safe. Loads of parking outside on street. Her flat is dusty with talcum powder everywhere especially in the bathroom and the bedroom could do with a de clutter.

The Lady:

Kim is attractive and probably in her mid 50`s about 5.4 tall with nice big boobs. Must be around 40g with big nipples...though she is pretty fat too. A fairly sizeable belly but nice hands/feet.

The Story:

Seen her many times so a favourite of mine. Her massage is ok which lasts about 5 minutes, then she turns me over on with the condom for a sucking which again is ok but I like cumming on those big tits. After a few minutes of doggy or missionary(only ones she`ll do) I like getting a tit job till I explode on them. Not for everyone I`m sure but suits me for now. Worth a visit if you local and like the older lady with a huge swinging pair. For £50 she is worth it.
