The Premises:

She uses a well equipped playroom with en suite bathroom at the house of a friend. Discrete location in a reasonable residential area with on street parking.

The Lady:

Nika is a slim petite young Welsh girl who wears glasses and who is just like the photos on her profile.

The Story:

I was down in South Wales a couple of weeks ago and as usual when I am away overnight I like to sample one of the locals.

Rather than taking a chance on a new girl I decided to revisit Nika who I saw last summer, even though she has decided to switch from a sub to a mistress, on the basis that while I am no sub I am happy to worship a pleasant little lady.

Nika was dressed in a tight black pvc skirt with seamed stockings and sussies.

We started the session with Nika lying back on the sofa while I sucked and licked her pert little tits, freshly shaved pussy and sweet little bum before I covered up and slipped in for some deep stick mish.

For round two, Nika knelt on the spanking bench with her lovely little bum up in the air. I slipped into her very tight pussy and gave her a good pounding while enjoying the sight of watching myself in the large mirror opposite until I shot my little load.

Nika will not be suitable for everyone but I have enjoyed my meetings with her and hope to see her again.
