The Premises:

As many have described. Safe and discreet ground floor apartment in central MK near the shopping centre. Free parking after 6 and lots of space. A few people about but nothing obvious to suggest what the place I was going to was. Buzzed the flat and was let in promptly.

The Lady:

As per photos on website but much better! Age accurate and face much nicer in person. Really friendly and put me at ease, beautiful figure and maaaaaan those tits :p

The Story:

I chose to see Carla as she has many great reviews and deservedly so. Truly professional service and a great GFE - lots of cuddling stroking and kissing, what I especially liked was her telling me she liked her back being stroked, arse crack being stroked, hair being ran through whilst sucking me off etc. - probably all 'what we want to hear' bollocks but definitely created the GFE effect to maximum realism (without being fake and facetious how some girls can come across like when attempting to convince a sweaty fat bloke they are enjoying it too!) Sex in reverse cowgirl was great with a wonderful view of the old in and out, a memory that will last! She also has a great mirror awareness, always pointing out when a great view was happening! Time after the clean up was spent cuddling and kissing, and chatting about cars, a really special time and would definitely see her again, lovely lady and deserves her reputation - one of the best.
