The Lady:

Just as you see in her profile photos. Can never tell with all the photoshopping, but she looked almost exactly the same. Except she is much cuter and smiles all the time in person.

The Story:

All the other girls were busy, and i prefer a petite girl. So i had to opt for Karolina. But im so glad i did. I felt she would be more domineering, or bossy. But shes very sweet, giggly and submissive. It was the closest thing to a pornstar experience ive had. I prefer GFE, but with her it was fun and dirty.

Shes very chatty and flirty and i liked her immediately.

She seems to seriously enjoy her work and comes across as a genuinely naughty party girl.

So after a lot of groping, a bit of light FK, fingering, gagging and banging away, it was a great facial finish and i was away. Very pleased.
