The Lady:

As nice as the pictures present her... charming from the very start ! Tall, slender young woman, I did not see any tattoos.

The Story:

From the very start you fell welcome and desired... that's a change from the previous experience I had... she's charming and chatty but she knows what she wants and in my case it was to make me happy and she really succeed in doing exactly that !

The best way to describe her would be imho a kinky gfe not pse by any means but the kind of woman you'd love to be next to... very active in every parts of the act, she is really a great companion !

I cannot recommend her enough.
