### The Premises:

Just above Warren Street Tube Station, the apartment was furnished adequately, and it was very clean and tidy. The entry to the block was off main road but very quick inside door, once inside very quiet to the apartment

### The Lady:

Tall, thin, blond hair with some body art. Beautifully toned, smooth skin and smile to die for. She has pics on website and they are very accurate. In short, a stunner...would love to go clubbing with her ;-)

### The Story:

Once in apartment, was led by maid to bedroom and was offered a drink and shower. Anna soon appeared and confirmed the services offered, felt like heaven and after splashing the cash was excited for her return.

When she came back, she had only one thing in mind....keeping me satisfied. She was good at reading the signals and we had a beautifully slow kiss and cuddle as my clothes disappeared. Once on the bed, covered oral (at my request) was excellent before we tried sex in various positions, all of which were met with gay abandon and this old man was excited.

I finished

With the beautiful anna on top, she bounced with extravagance and the bed made rather loud squeaking noises - it was great.

Ended with a polite kiss before departing.

Nothing was too much trouble, was well worth coming out of retirement for this - my wife has competition again. fabulous
