The Premises:

A small block of flats in a residential area just off the ring road. Rather scruffy outside but very nice inside the actual flat, a rather Aladdin's Cave effect. I parked in the road outside without difficulty but I imagine it might sometimes be a bit more of a problem. The area felt perfectly safe and the address was easy to find. The agency currently operates in six locations.

The Lady:

Mel matched her description and photos on the website. Her deliciously curvaceous body had a most attractive golden tan. She is a warm friendly bright and altogether delightful person it is great fun to be with.

The Story:

Mel asked me what I would like to do and I mentioned I loved oral, so off she went and did not stop. After a while I thought she must be getting tired, but she said she was quite happy to keep going, this was her talent and should could keep it up for hours. She was quite right, it is something she is very talented at, and it was also a great visual treat to watch her working her magic. Afterwards I enjoyed chatting to her, and I look forward to seeing her again.
