### The Story:

Don't listen to last review off her Annabellas profile as couldn't be further from the truth she's gorgeous whilst kind and considered. I was like a bag of nerves and she made feel easy it was more my upcoming performance I seemed more worried about as took me a while to get going. she had to take the lead and guide me and it was actually really kind as eventually I settled after a 69 and the lad rose. her oral wo is absolutely amazing working hands and mouth which got me at full wack. followed by doggy which was so good I then ended up with a hand job to finish off. Not too much chat but I wasn't there for that. If you like a clean shaven pussy with those dark pussy lips and the pink centre when they fold back she's your girl..I love that personally and will be going back for more. lovely lady wish I could have overcame my nerves and given her a better session.
