The Premises:

Alex has a great flat in central London, very easy to find and convenient for transport. Impeccably clean and welcoming, and she has all the equipment you could ever need.

The Lady:

Alex is such a stunning girl, with an incredibly body. She looks even better than her photos, and has a very mischievous smile. She has a naughty 'girl next door' look, which was fantastic. She's friendly and warm, and she made me feel relaxed immediately, which was good as I was a bit nervous.

The Story:

I exchanged emails with Alex before our session and outlined the sort of thing i was after - a roleplay with her as a French maid caught stealing. The emails were very professional and clear. On the day, i felt like she'd really paid attention to what I'd described, and played the part of a lazy maid to perfection (and she looked very sexy in the uniform). She really bought the scenario to life, and made it feel very natural. I gave her a stern telling off and a thorough spanking on her peachy bottom, which was followed by some mindblowing oral and sex. We chatted after, which was nice, as Alex is clearly a very smart woman and great company. I would definitely recommend her, she will only exceed your expectations! Hopefully see you soon Alex.
