The Premises:

Ground floor apartment near shopping centre in a block with communal entrance so reasonably discreet.

The Lady:

Just like the photos and the description on her webpage sound about right. Bottle blonde, reportedly Polish, 20 something, medium height, slim build, small bust with wonderfully large nipples, fully shaved, some tattoos including a large one on her back.

The Story:

I was in the mood for a gfe and Anna was free and fitted the bill. She was quite chatty, initiating conversation at the start and end of our time together and came across as being a nice person. The action was the usual tried and tested formula - fk, dfk, fingering, owo, fj, fs, ro & cim - which works well for me for shorter sessions and I left contented.
