### The Premises:

Clean and tidy apartment next to the car park in the main shopping area. Room was good with a big bed and clean towels

### The Lady:

Very petite and girly figure, must only be just over 5 foot. Cara has a real look about her, I am not sure maybe her eyes, but something that makes her extremely attractive. She is very young and beautiful

### The Story:

I got there a bit early and ended up in the kitchen to wait with Michelle, Anna and Kathleen (all definitely worth a visit!). Cara came in wearing a red and flesh coloured matching set with suspenders and showed me to the room. We did the paperwork and she took over her bra to reveal her tiny but pert breasts. We lay on the bed and kissed a little and she asked me what I wanted to happen, she is very confident for someone so young. She then gave some great owo and dt, I returned the favour (no fingers allowed). Mish to follow and that was me done! A great experience and would recommend
