### The Premises:

Usual block of flats in South Kensington area , short walk from the station. Small room but clean.

### The Lady:

She is tall, slim, quiet busty and very close to photoshopped pic.

### The Story:

My hour with Carolina was really nice from beginning to end. Louise really took care of me in bed and felt like a treat to be teased and seduced and pleased by such a great girl. She did a little lap dance for me to begin with and pushed her lovely bum back and forth towards me, just to get me going.

Felt like a true GFE. Lots of kissing, stroking, teasing. Louise really had me going very quickly. I had a couple of personal preferences and requests and Louise was very obliging and very good at doing them to me! It wasnt long before she left me 100% fully satisfied and happy!

Also spent some time chatting to Louise and she is very interesting and fun to talk to and have the pleasure of her excellent company. I could definitely see myself booking her for longer than 1 hour next time I see her.
