### The Premises:

### The Lady:

An absolutely perfect body, with the best tits I've seen in person for a while. She was tall-ish, and thin, and looked pretty much like her profile picture. I never asked her age, but her profile says 21 which she certainly looks.

### The Story:

A perfect hour spent. I'm in town only for a week, and wanted to see what London has to offer. I was not disappointed. I'm usually kind of disappointed when a girl shows up because she never looks as good as her pictures. Anya definitely looked good. Not only that, she was professional. She came in, was polite and attentive, and let me take things at my pace instead of making me feel rushed. After about ten minutes I suggested we go into my room. After we undressed she gave me a great massage, and then rolled me onto my back. She started with her hand while she talked to me about what I wanted to do with her next (very hot). She then moved in with her mouth, and gave me a full ten minutes of pleasure. I know she could tell when I was ready to go because she would slow it down to make sure I didn't go too quick. After the oral I told her I wanted her to ride me while she played with herself, and that's exactly what she did (seriously, her tits were so perfect, and natural). She wasn't fake with her moaning, nor was she silent, and she seemed to be having a pretty good time. Afterwards we talked for a while, and she was still very pleasant. At about an hour & fifteen she politely apologized and told me she had to be back at her place for an appointment. I would definitely call her again.
