The Premises:

Smart flat in the Summertown area of Oxford.

The Lady:

White English lady, early 30s, 5'7", a slim size 10, long blonde hair, no tattoos, one navel piercing.

The Story:

Wonderful warm and sexy encounter with Jess. Starting with some affectionate kissing we gradually removed each other's clothes and made it to the large comfortable bed where the encounter became even more passionate, leading to a great (covered) climax in cowgirl position. Jess likes to be massaged and I enjoyed rubbing oil into her back. She's friendly and communicative and in the warm afterglow of our more energetic activity, I enjoyed hearing about her trip to the Carnival at Rio de Janeiro from which she had just returned.

Definitely a booking to repeat next time I am in Oxford.
