The Story:

I'd had an experience the week before and it was less than stellar so I took full advantage of the field reports before deciding on my next punt. Anna and her reviews suggested she'd be a safe bet and I wasn't disappointed.

I arrived on time but was told she was running late so the maid showed me to the room and I waited and waited some more. After about fifteen minutes Anna walked in wearing a red teddy, heels and bare legs. We sorted out the paperwork and I asked if she had stockings she could put on for me. She gave me a wink and left the room. Re-entering a couple of minutes later in an all black number with suspenders and stockings and towering black heels I knew I'd picked the right girl. I opted for a GFE with lots of kissing. We started standing up and as we kissed she started to undress me. Soon onto the bed and more DFK. She started to kiss my body and gave me a hand job. More kissing and chatting followed and then sex in two positions. Easily the best punt I've had and the most stunning companion I've met.

She teased me with a two girl suggestion and I'm booking that next week.

Awesome girl, 11/10 with gold stars.

I'll see you next week Anna.
