The Story:

My first time at Rub Notts not visited many parlours in recent years. Was (eventually) talked in by Layla i had been walking the wrong way ! Its very discrete entrance

Inside I had a choice of two girls.... Skyla and Summer..... always hate making that choice when the girls are in front of you! I chose Skyla..... I was drawn to her opaque stockings showing silky thigh above !

Inside the room she was chatty and welcoming and i felt at ease..... the massage was ... well... fantastic. Really relaxing and erotic, the majority being back, bum , legs with some reaching through to play with balls...

then turned over and to be honest i knew at this point it wouldnt take too long..... try as I might i just had to blow! I was certainly ready for it and send cum shooting over my own head. Amazing
.....

I think I will be back and hopefully see Layla as she looked amazing too

Skyla - thank you - awesome massage
