The Premises:

One of the usual apartments in Milton Keynes, Greeted with a smile and discrete entry

The Lady:

Carla stunning, personality and even more gorgeous in person, Angel jaw dropping and amazing body, her pictures do not do her justice.

The Story:

I have seen Carla once before and decided I wanted to try a 2 girl experience with her, She walked in and recognised me from a previous session, Angel walked in behind her and my jaw dropped, you couldn't tell though because Carla was already teasing and sucking on my tongue. (she's a fantastic kisser)

I don't want to go into too much detail about the encounter, but highlights would include watching both Angel and Carla work their tongues across my cock, eating Carla out while Angel deep throated my length, fucking Angel on her back, with her finger in her Ass, while Carla reversed bridged over her so I could keep eating her pussy (it really is tasty).

Carla really has a way about her that makes her an amazing punt, that makes you comfortable and you can tell she loves what she does.

Angel is just sex on legs and a body to follow it.

Thanks for an amazing time girls.
