The Story:

I was buzzed in to the apartment entrance downstairs, Took a lift up to the apartment and was let in by Dita who was wearing blue matching knickers and bra, she led me to the bedroom and left me for a minute to get a juice for me. she came back and slipped out of her bra and knickers and climbed on top of me kissing and teasing me all over. I flipped her over and returned the favour. Very deep oral with good eye contact and teasing me just how I like it. On with the condom with Dita on top and then from behind, that ass is to die for. I'll be back as soon as I'm in the area.
