The Premises:

Easy to get to.. easy entry. It was nice and clean. more than acceptable

The Lady:

Do you know what,, the more I use agencies.. the more disappointed I am.

Clearly the photos were quite old.. it was her.. but quite a while ago.. she has also had surgery on her lips.. you know the Leslie Ash look.

You get all excited that you are going to meet the lady in the photo when in fact she is really nothing like it.

All saying.. Gina had a lovely firm body.. she looked great.. just not that much like the photos

The Story:

I never ever felt she wanted me there.. everything was very clinical..

I left satisfied.. but disappointed.

Honestly I wouldn't bother going back..
